A LARGE amount of extra expense has been incurred on this Directory over all Directories which have preceded it, in order to make it worthy of patronage, as well as creditable to the city. The publisher looks with confidence to a discriminating public, for a generous support, in its annual issue. The Engravings of six Houses of worship are presented to its patrons this year, which have been executed expressly for the Subscriber, by Seth H. Clark, of this city, from original drawings. Views of all the others will be presented next year.

We have endeavored to collect, with the greatest accuracy, all the information that comes within the scope of this work, and especial pains has been taken to ascertain the name, residence and occupation of every male person, of and over 21 years of age.

As the subscriber will continue to issue it annually on or about May 1st, it will be his endeavor to make it a work deserving of universal approbation, by the citizens of Hartford, for its accuracy, neatness of execution, &c., &c.

ELIHU GEER.

CITY OF HARTFORD, May 1st, 1847.

Explanations.

THE names of the individuals engaged in business for themselves, is first mentioned in the line with their names and then their place of residence. The names of all male persons over 21 years of age, are, as far as possible, given.

When two different numbers are given in connection with one name, and only one street mentioned, the number first given is the place of business, and the second the residence, and both in the same street.

Several streets in the city have not been numbered. This will account for the omission of numbers in connection with certain names.

Many of the streets are badly numbered, duplicate numbers occurring, owing to the increase of Tenements in such streets, since the buildings in the city were numbered.

For boundaries of Wards, see map as painted, each Ward being numbered, and contiguous ones painted in different colors.

The letter h. signifies house; res. residence; st. street; bds. boards, &c. &c.

CITY HOTEL LIVERY STABLE, by J. B. Olcott & Co., Removed directly opposite the City Hotel, and REAR of 115 Main Street. J. B. O. & Co. take the following method of informing their friends and the public of the fact, that they have vacated the Stable in rear of City Hotel, where for the last few years they have been liberally patronized, and gained for themselves a reputation for keeping the best stock of Horses and Carriages To Let in this city. John H. Most, 91 Main st., a few doors north of the Stone Bridge, Hartford Conn., would respectfully invite persons wishing to purchase Piano Fortes, to call at 91 Main street, and examine some specimens just finished. On hand, and constantly manufacturing, Pianos of rich rosewood and mahogany cases, with square tablets, hollow corners, elliptic fronts, harp pedal—with all the modern and best improvements of the day. Persons in the city and from the country, in want of first rate Pianoes, will find it for their interest to call and examine for themselves before purchasing elsewhere. Piano Fortes repaired in the best possible manner. Second-hand Pianos taken in exchange for new ones, at a fair value.

STANCLIFF'S DAGUERRIAN GALLERY: Free exhibition of Daguerreotype Portraits and Miniatures, over Messrs. Olmsted, Thatcher & Goodrich's Store, corner of Main and Pearl streets. Admittance, free for all. Among the advantages this establishment has over every other in Connecticut, are the following, viz: A sky-light, which requires but a short sitting, even in cloudy weather, and so arranged as to produce the most perfect eye, without the painful expression so common to Daguerreotype miniatures which are made by a side light. The secret of working the chemicals used by the best establishments in the world. Voigtglander Sohn's German Cameras, some of the most perfect ever brought to this country; (one of which makes a picture twice the size of any one in the State;) they give a perfect image, instead of distorting the features as imperfect instruments must necessarily do. An apparatus for copying Daguerreotypes without reducing their size. A Reflector, for taking Landscapes, Buildings. 4-c. without reversing. Persons wishing to acquire the art, will be faithfully instructed, and furnished with apparatus. No person is asked to take a picture from these rooms, unless it is perfectly satisfactory.

CHURCH EDIFICES, &c.

FIRST CONGREGATIONAL CHURCH.

This Church was originally gathered in Newtown, (now Cambridge,) Mass., and was duly organized by the Installation of Thomas Hooker as pastor, and Samuel Stone as teacher, October 11th, 1633. It is supposed that William Goodwin was ordained as ruling elder, and Andrew Warner as deacon at the same time.

In June, 1636, Messrs. Hooker and Stone, with about one hundred of their people, removed to this place. Here the Church was permanently planted, being the first Church established in Connecticut; and here the ordinances of the gospel have been regularly administered from that time to the present.

This Church embraced the territory now occupied by the Churches of the City; of East Hartford, and of West Hartford. During the joint ministry of Messrs. Whiting and Haynes, the former, with thirty-one members of the Church, withdrew and formed the South Church in this City, February 12th, 1669.

The Church in East Hartford was set off from this Church, and received a separate organization in May, 1702; and that in West Hartford, February, 1713.

On the 23d of September, 1824, ninety seven members received dismission from this Church, and were, with others, organized as the North Church.

On the 10th of January, 1832, eighteen members of this Church, having received dismission, were organized, with others, as the Free Church, now the Fourth Church.

FIRST BAPTIST CHURCH.

The First Baptist Church in Hartford had its origin in the following manner. In the month of March, in the year 1789, "two or three Baptist brethren, and other friends," conferred on the expediency of establishing a church of the Baptist denomination in the city, and the proposition was received with favor. On the fifth of August the first baptism was administered. September 7th, at 7 o'clock, A. M., a meeting was held at the dwelling house of Luther Savage, and it was then resolved to commence public worship on the Sabbath, as a Baptist congregation. Accordingly public services on that day were held in the dwelling-house of John Bolles, commencing October 18th, and during the ensuing season, a number of persons were "baptized on the personal profession of their faith in Christ." The Church

was organized by a regularly called Council, March 23d, 1790. It then numbered sixteen. Prior and subsequent to their constitution, they were favored with the ministrations of neighboring ministers, particularly with the labors of the Rev. John Winchell, and Rev. Adam Hamilton. The Church experienced a succession of difficulties until 1796, which prevented them from acquiring strength.

The following is a list of the regular Pastors who have been settled with the Church;

STEPHEN S. Nelson, settled 1798, dismissed 1801;—[The number added to the Church during his ministry was about 100.] David Bolles. Henry Grew, settled in 1807, dismissed in 1811;—[Added during his ministry; 55.] Elisha Cushman, settled in 1813, dismissed in 1825;—[Added during his ministry, 235.] C. P. Grosvenor, settled in 1825, dismissed in 1826;—Added during his ministry, 9.] Barnas Sears, settled in 1827, dismissed in 1829;—[Added during his ministry, 21.] Gustavus F. Davis, settled in 1829, died in 1836;—[Added during his ministry, 269.] Henry Jackson, settled in 1836, dismissed in 1838;—[Added during his ministry, 196.] J. S. Eaton, ordained in 1839; dismissed, June I, 1844.—[Added during his ministry, 330.] R. Turnbull, settled 1st July, 1845.

Their present house is on Main street, between Nos. 229 235. This house was erected in 1830. Its dimensions are 84 by 60 ft. It was dedicated to the service of God March 23d, 1831.

THIRD CONGREGATIONAL CHURCH.

The North Church of Christ in Hartford, was organized in the Meeting-House of the First Church and Society, on the 23d of September, 1824; the Rev. Joel Hawes, D. D., pastor of the First Church, the Rev. Joel H. Linsley, D. D. pastor of the Second Church, and the Rev. Nathan Perkins, D. D., pastor of the Third Church, in Hartford, officiating on the occasion,

The following extract from the letter addressed by the ninety-six original members to the parent Church, prior to their dismission and organization as a distinct body, will show the origin of the formation of this Church.

"The First Church and Society having become so numerous that all the members could not well be accommodated with seats in the meeting-house, and many, from time to time, having been prevented from joining us for the same reason, several meetings of the members were called, in order to take into consideration the existing inconvenience, and what measures might be adopted for removing it.

"It was resolved to be expedient, and advice was given, at several successive meetings, that a number of the Church and Society should withdraw for the purpose of forming a new and distinct Church and Congregational Society, and of erecting a new meeting-house in this city. All these meetings were distinguished for the harmony

and unanimity of their proceedings."

In pursuance of the above resolutions and advice, ninety-six members of the Church, formally separated from the Society, and associating with others, formed a new Congregational Society.

At its organization, the Church consisted of 102 mem-

bers, 39 males and 63 females.

 On the 1st of December, 1824, the Rev. Carlos Wilcox was installed Pastor of the Church, and sustained the relation till May 31st, 1826, when he was dismissed at his own request, on account of impaired health.

The Rev. Samuel Spring was installed on the 21st of March, 1827, and dismissed at his own request, January 8th, 1833.

The Rev. Horace Bushnell, ordained May 22d, 1833.

METHODIST EPISCOPAL CHURCH.

THE METHODIST EPISCOPAL CHURCH in this City was organized and a house of worship erected in 1820, and enlarged in 1829. The house was improved in 1840 as a centennial commemoration of Methodism.

The present number of members in the Church is 235.

The present pastor is Rev. Peter C. Oakley. There are two local preachers—Asa Rogers, and Lorenzo Hart. The stewards are Walter T. Pierson, William Parsons, Sen., Cyrus Goodell, Henry C. White, and Truman McLean.

The Trustees are Daniel Fish, Arba Lankton, Henry King, Orville P. Case, Wm. A. Stoddard, Chauncey Beach, James T. Mills, Richard Brown, and Cornelius Burt.

The Clerk of the Society is HENRY A. KING.

ST. JOHN'S CHURCH,

Was organized March 18th, 1841, and the corner stone of this edifice was laid on Wednesday, July 14th, 1841, by the Rt. Rev. T. C. Brownell, D. D., LL. D., Bishop of the Diocese of Connecticut, and on the 20th of April, 1842, the church having been completed with extraordinary despatch, was consecrated by the same Prelate, to the glory and worship of the Holy Trinity, by the name of St. John's Church.

The interior of the church, of which our cut presents so favorable an external view, is in strict keeping with the architectural style, and the holy offices to which it is devoted. The design was furnished by Henry Austin, of New Haven, and is very generally admired for its simplicity and effect. Among the ornaments of the church

must be mentioned a beautiful font, of the finest white marble, and an organ of superior tone and finish, built by the Messrs. Hook, of Boston. The chancel is situated in a richly wainscotted recess, at the east end, and is lighted by a lofty mullioned window.

The parish of St. John's was formed on the 18th of March, 1841; owing its origin to the great prosperity and over-growth of the parish of Christ Church, in this city. On the 12th of March in the succeeding year, the Rev. A. CLEVELAND COXE, was elected to the Rectorship, and entered upon his duties at the Easter following. He was Instituted on the 22d of October, 1842, and continues Rector at this date. Lemuel Humphrey and J. M. Goodwin, Esquires, are the Churchwardens, and Wm. H. Gilbert, Esq., is Clerk of the parish.

About two hundred and fifty persons were officially reported as communicants in June, 1846, and the parish though yet in its infancy, is already large and increasing.

CHURCH OF THE SAVIOR.

UNITARIAN CONGREGATIONALIST.

The corner stone of this edifice was laid Saturday, May 24th, 1845, and the House was dedicated, Wednesday, April 22d, 1846.

The first formal meeting of gentleman intrusted in the formation of a Unitarian Society in Hartford, was held at the house of Dr. Seth Saltmarsh, Saturday evening, July 27, 1844. About thirty individuals then, and soon after, signed articles of association, constituting themselves a

legal religious society, according to the law of the General Assembly of Connecticut. The first officers of the society were, James H. Wells, Charles H. Olmsted, Timothy M. Allyn, Society's Committee; T. M. Allyn, Treasurer; Seth Saltmarsh, Clerk.

Religious services were first held in Union Hall, in the autumn of 1844, and were continued at the same place, until the completion of the Church Edifice.

On Sunday, July 27, 1845, the communion was administered for the first time, in Union Hall, and the first rite of baptism was performed.

The pastor elect, Rev. Joseph Harrington, began his regular duties, on the first Lord's day of the year 1846, and on Thursday, April 23d, of the same year, his relation with the church and society was solemnized, in the "Church of the Savior," by the usual services of Installation.

At the present date, April, 1847, the officers of the Society are as follows:

JOSEPH HARRINGTON, Pastor.

James H. Wells, Officiating Deacon.

JAMES H. WELLS, Society's Committee.

JAMES A. AYRAULT, Clerk.

H. I. SAWYER, Librarian.
